QUALITY CARE

For many years, CHSLD Herron, located near St-Louis Lake, has been able to establish an enviable reputation in the field of residences for retirees in need of special care. Thanks to its high quality of care, CHSLD is able to ensure the well-being of its residents as well as the peace of mind of their family members.

- Target clientele: retirees that are semi-autonomous (until the end of life), as well as retirees with cognitive and/or physical loss
- Graduate Nurses 24/7
- Doctor on-site and on call 24/7
- Management of Drugs
- Variety of balanced meals
- Modern Facilities
- Adapted equipment and amenities
- Physical and cognitive stimulation
- Cleanliness and hygiene: a continuous priority
- Continuous training of the staff of care
- Emergency call system
- Security

HEALTHY MIND IN A HEALTHY BODY

We understand that the psychological and physical health form a whole. Therefore, we put a particular emphasis in regards to the numerous activities we offer that focus on both cognitive and physical stimulation.

- Programs for cognitive and physical stimulation
- Walks outside by the lake
- Music, songs and dance
- Art Therapy
- Adapted Yoga
- Community Garden
- Pet Therapy

MEALS

- Seasonal Menu
- Customized meal plans
- Nutritionist
- Fresh fruits and vegetables
- Private room dinner for family events and group functions

PROXIMITY

The personalized approach, stability and the commitment of our staff as well as the excellent communication that we have been able to develop and maintain with the various stakeholders of the health community has made Maison Herron an example to follow.

- Dedicated and stable team
- Warm welcome
- Respect towards our residents
- Personalized approach
- Aware of your concerns
- Various Activities
- Active involvement of residents

NEW DIRECTION

Katasa Group has recently made the acquisition of *Maison Herron*. The family company which holds more than 30 years of experience in the field of residences offering units and services to autonomous and semi-autonomous retired as well as persons with the loss of autonomy is excited by this new challenge.

Whether at the *Village Riviera*, *Résidence de l'Île*, *CHSLD Herron*, *Le District* or the *Manoir Pierrefonds*, *Katasa Group* wishes to serve its customers with the same consideration that their reputation is built on.

It is with this in mind, and always aiming to increase its knowledge in this field that *Katasa Group* is currently developing *Le District* which will be available for occupancy in 2016.

MAISON HERRON MAKEOVER

To support the efforts of the high quality of care that have contributed to the reputation of CHSLD Herron, new common areas will be added so as to increase the opportunities of social life and exchanges. With this in mind, we wish to make the residence a space where the human warmth is a continuous and integral part of people's day-to-day.

- New chapel
- Common lounge
- Bistro-coffee
- New Hair salon
- Activities room
- Internet access at any time for the residents and the family
